Hunter Wilhelm Joins Cheminova, Inc. as Mid-South/Delta Area Sales Manager

Research Triangle Park, NC – Hunter Wilhelm has joined Cheminova, Inc. as the Mid-South/Delta Area Sales Manager.

Wilhelm began his career as an independent crop consultant in the Rio Grande Valley of Texas before joining Bayer CropScience as a sales representative in that area. He worked as a crop marketing coordinator with Bayer in the Memphis Regional office before joining Cheminova.

“Hunter has the solid sales experience we need to keep moving our organization forward and to build our business in this important area,” says Mark Bishop, Vice President of U.S. Sales for Cheminova, Inc. “Having Hunter on our team is a great opportunity to build on the well-established, high-quality reputation that Cheminova has and on the strong relationships we continue to have with our customer base.”

Wilhelm holds an entomology degree from Texas A&M. He and his wife, Amy, have two sons and will continue to reside in Collierville, TN.

Cheminova, Inc., headquartered in Research Triangle Park, NC, is the United States subsidiary of Cheminova A/S, a global leader in the production, development and sale of plant-protection products. Cheminova A/S is located in Lemvig, Denmark.
